

Noah Farberman

Grown Ass Person

When you learn to swim at 43 and your teacher is younger than your kid and your shorts tighten in the water and you're coughing before you get waist deep and you feel like there is no point, you can just leave. You are 43 years old and can just leave.

Noah Farberman is a Toronto writer and comedian. Noah has been published by *Cypress*, *Rabid Oak*, *Perhappened*, and *Long Con*. Currently Noah studies Creative Writing at the University of Toronto Scarborough Campus.
